Recovery Day Windsor-Essex Event

Saturday, September 14, 2019

During the month of September, Canadians in recovery from addiction will join with friends and family to promote awareness, challenge societal stigma and celebrate the role that recovery plays in improving the lives of individuals, families and communities. We believe that recovery saves lives.

Last year, we here in the WINDSOR COMMUNITY joined with 34 other cities across Canada in celebrating our fifth Recovery Day Event. We had 21 speakers from all walks of life and over 400 people attended.

This year, we are hoping to have over 40 Canadian cities represented. Recovery Day Windsor-Essex is a coordinated effort of many committed individuals whose lives have been touched directly or indirectly by addiction and the miracle of recovery. On Sept. 14th, 2019, we are planning our event at Lansperry Park 1250 Langlois Ave, N8X 4L6, Windsor, Ontario

Recovery Day Windsor-Essex requires financial support to stage this event. Expenses may include advertising & promotion, rental of a sound system, tenting, tables, chairs, publicity, signage, bouncy castles, BBQ's and more.

Substance use touches everyone and costs the Canadian economy \$40 billion every year. Recovery is free, although getting the word out that there is a solution may cost a few dollars.

Will you please join us as a Financial Supporter of Recovery Day Windsor-Essex 2019?
